Important travel notes:

Please be on time as we cannot check-in as a group until all members are accounted for. We have a few travelers that require assistance and we want have enough time for everyone to be settled on the airplane. Please bring your driver's license with you. If you have bags to check please let us know when you are at the check-in kiosk. We can self tag our checked bags and the first 2 bags fly free (if not overweight or extra large in size). Carry-on bags do not need to be tagged. Meals on Wednesday will be on your own.

Another travel note....Albuquerque can be rather warm so dress accordingly but, bring a sweater or wrap for air conditioning in the convention center. If you burn easily, please bring sunscreen for your walk to the convention center or an umbrella.

We are staying at the Hyatt within walking distance of the Convention Center. Check in will be busy so have one person per room check in and pay for the room or place the room on a credit card. You may return to the desk and pay your portion of the room at any time during the next day or reimburse the check in person for your portion of the bill.

Non-delegates: Please make sure you submit your airfare to Ruth to reimburse the South Wisconsin District for the plane tickets. Also, the cost of the shuttle is \$24 for round trip from airport to hotel.

I will have my cell phone on me and you can text me if you need information. Also, if you do not have a cell phone please pair up with a buddy who does have a phone and let me know. I don't want to lose anyone. We have lots of changes to make but it will be an awesome adventure!
