

2024-2026 LWML South Wisconsin District Mission Grant #7
CTSFW Food Co-op \$15,000

The Food and Clothing Co-op at Concordia Seminary, Fort Wayne, works to encourage and financially support students through its programs. The Food Co-op is open 50 weeks per year for weekly shopping by our LCMS pastoral and deaconess students. These students, driven by their faith and dedication, are preparing to serve their communities full-time. This grant would be used specifically for the purchase of perishable food items for the 2024-2026 biennium, ensuring these selfless individuals and their families are nourished as they prepare for their important roles in full-time church work.

Mission Grant Prayer: Lord of the harvest, our world always turns away from You, and many people do not yet know of Your saving love. You lead men and women to our seminaries to become our pastors and deaconesses to take Your Word to those You love. While these students and their families need our spiritual support through prayer, they also must receive physical support through food and clothing. You tell us in Your Word that we should not muzzle the oxen while they tread out the grain. Therefore, we ask You to bless this grant so that it may be used to nourish and support the bodies of our future church leaders and ease their minds about their families and themselves so that they may fix their attention on the work for which You send them. In Jesus' name. Amen

Together in Christ

we are motivated to love, serve, gather, and encourage

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. Hebrews 10:24-25
