

Concordia Seminary, St. Louis Food Bank

\$15,000

Seminarians struggle to afford healthy food for their children, spouses and themselves because they also have expenses for housing, health insurance, tuition, books and in many cases, college loans. The Concordia Seminary, St. Louis, Food Bank helps seminarians by providing healthy food and personal care items at no cost. With LWML mites, we are supporting them as they answer God's call to prepare for the Holy Ministry.

Mission Grant Prayer

Heavenly Father, during a famine, through a widow, You once provided ongoing food and nourishment for Your prophet Elijah. Thankfully, we are not experiencing a famine. However, many of Your future pastors and their families are under stress with expenses during seminary years. Accept my offering to assist the seminary Food Bank in putting food on the table for those who need and appreciate such assistance and who will eventually serve in congregations.

In Jesus name, Amen.
