

LWML SWD Mission Grant #6

SOS Center Enrichment Program

\$22,580

The SOS Center serves children and youth in the urban area by providing After School programming, a five week VBS program and a high school youth/young adult group in a safe, caring, Christian environment. The grant money will allow them to focus on the development of future leaders by providing leadership training in their Born to Lead because Christ Leads Us group. This group is made up of high school students and young adults up to the age of 21. Skills learned will be centered on Christian leadership, gaining a stronger self-awareness, and a closer relationship with God. These skills will ensure brighter futures for the students and the community.

Mission Grant Prayer

Lord, I want to do more than stand on the sidelines and cheer! The enrichment activities of SOS are worthy not only of applause, but also of our LWML support and gifts. Here is mine. Continue to bless the after-school reading, math, VBS, field trips, hot meals, Bible reading, leadership training and other enrichment programs of this agency. We ask you to continue to use it to turn the lives of vulnerable young people into God-pleasing directions. Let the Gospel of God's love in Christ be at the heart of SOS ministries. In the name of Jesus, Friend of children and youth. Amen
