

Church Worker Student Grant \$30,000

The cost of tuition in the LCMS synodical universities and seminaries can be as high as \$58,000 per year and many students graduate and enter the mission field with a large financial debt. This grant will assist church worker students (teachers, pastors, deaconesses, DCE, DCO, lay ministers) who are studying to be full-time church workers with funds to be used toward tuition and board. Please visit LWML-SWD.org for more information.

Mission Grant Prayer

Lord Jesus, You urged Your followers to pray that You with the Father and the Spirit would "send laborers into the harvest fields". Your adversary would hinder young people from preparing for full-time service in Your harvest of souls. Lack of funding may be one such deterrent. Please use my offering to assist and encourage students to prepare themselves for professional church work. In Your saving name I pray. Amen
