

Veterans Helping Veterans in the Concordia University System

\$5,000

Returning veterans face challenges as they return to the United States and resume civilian life. An increasing number of veterans utilize the “GI Bill” to return to college. Ministry to the Armed Forces is developing a program that will focus on the veteran population and their families attending the LCMS Concordia University system. This program, “Veterans Helping Veterans” will equip military veterans to serve as peer counselors on Concordia University campuses. A successful mentoring program will enable veterans to thrive and complete their collegiate career with spiritual support. Please visit LWML-SWD.org for more information.

Mission Grant Prayer

Heavenly Father, how good it is to know that on our Concordia University campus, veteran mentors are offering encouragement and support among returning veterans who, with their families, face many adjustments. Please use my offering to promote and enhance this beneficial Christ-centered undertaking and service. I ask it in the Savior's name.
