

Refuge House Renovation (Place of Refuge Ministries)

\$20,000

A Place of Refuge Ministries of South Wisconsin exists to meet the spiritual, physical, and emotional needs of pregnant women and their unborn children so that they have tools necessary to choose life for their unborn children. Refuge House provides these women and their children a safe place to live while they work toward independence, but most important, a place to learn about and grow in faith, and experience firsthand the love of their Savior, Jesus Christ through regular worship, the Sacraments, Bible Study and the personal example of the loving staff and volunteers. Please visit LWML-SWD.org for more information.

Mission Grant Prayer

Lord God, as once, through Your prophet Elijah, You ministered to the needs of a single mother and her child, please use my offering for the safety and wellbeing of expectant mothers in our time. As lodging needs call for structural improvements at the Refuge House, please make it a reality through our LWML support. In Jesus' name.

Amen.
