

Orphan Grain Train-Wisconsin Branch

\$15,000

The Wisconsin branch of Orphan Grain Train is located in Westfield. Orphan Grain Train is an organization that ships containers of humanitarian needs to both countries around the world and in the US. Besides providing physical needs for those suffering, they also hope to open doors to offer spiritual support wherever possible. Some of the items shipped are clothes, food, medical supplies and equipment and healthcare items. Although many of the items shipped are donated, the cost of a shipping container may vary from \$6,000 to \$20,000 and this branch ships at least twelve containers each year. This branch's operating expenses come entirely from grants and donors.

Mission Grant Prayer: Dear Lord God, Your name is majestic over all creation. We thank You that many in the world do not live in need. But You know there are so many more that do not have enough food, clothing or medical supplies for themselves and their families. The volunteers of the Westfield branch of Orphan Grain Train donate many hours to help make sure the needed supplies are sent to where the need is great. We ask that You use the money in this grant to send the supplies to where the need is greatest so that those who are helped will know of Your saving love. We ask this in the name of Jesus, our precious Lord and Savior. Amen.

Together in Christ

we are motivated to love, serve, gather, and encourage

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. Hebrews 10:24-25
