

38th Biennial Convention
LWML South Wisconsin District
June 20, 2020
St. Paul Lutheran Church, Grafton, WI

Dear Zone Presidents:

For this convention we are asking you to prepare a tri-fold photographic display of the servant events and projects taking place in the Societies within your Zone. There will be no servant events taking place during the one-day convention, so this is your chance to let us see your Zone in action.

Here's what to do:

1. Start now by encouraging your Societies to take photos of the projects and servant events that they do throughout the year.
2. Gather these photos and add a short caption listing the name of the Society and a title of what the event is.
3. Label the board with your Zone number, then arrange and attach these photos and captions to a tri-fold cardboard display board.
4. Bring this display board with you on Friday, June 19, 2020 to the pre-convention BOD meeting.

You may also bring a sample, if appropriate, of unique items that were made. Please no large items or quilts. Your display must fit on 2½ feet of table space.

Patterns or instructions for your projects can also be shared. Make sure to label the instructions with contact information for ladies who have questions about the item.

All of the photo boards will be displayed at the convention so that each attendee can view your display and be inspired and encouraged to serve the Lord with gladness.

If you have any questions about this display, please email Convention Chair Kay Nett at kaynett19818@gmail.com
