

South Wisconsin District Church Work Student \$30,000

The need for pastors, teachers and other professional church workers is critical both to serve the church at large and in the mission field. The South Wisconsin District is committed to furthering the education of our future professional church workers. The annual expense at a Synodical university is \$54,000 and at a Synodical seminary is \$57,000. This grant money will help offset the financial burden with which our church workers graduate.

Mission Grant Prayer:

Dear Lord, the harvest is great, but the workers are few. You have blessed our Church and our nation with our Concordia Universities, where Your children can study Your Word while pursuing their life's work in pastoral, teaching, and other church work. However, providing a theological and practical education comes at an economic cost, and these students will benefit from financial assistance in completing their studies. This grant will assist those who apply and are pursuing church work. Please continue to bless Your children as they prepare to work in Your harvest fields, and use this gift for that purpose. In Your gracious name, we pray. Amen.

Together in Christ

we are motivated to love, serve, gather, and encourage

And let us consider how to stir up one another to love and good works, not neglecting to meet together, as is the habit of some, but encouraging one another, and all the more as you see the Day drawing near. Hebrews 10:24-25
