

2022-2024 LWML South Wisconsin District Mission Grant #2

Lutheran Counseling and Family Services In-school counseling for mental health of students \$10,000

In the challenging world we live in, the mental

health of students is a very real concern to the professionals who deal with children who have issues on a daily basis. This grant will assist Lutheran Counseling and Family Services to help over 250 students annually to overcome problems and be equipped with tools, skills and abilities to be aligned for a successful school year as well as a successful future. The funds will also assist financially challenged families by covering fees and co-pays for the counseling services. The work we do was reaffirmed in a note received from a child which read "Thank you for talking with me and helping me to smile again."

Mission Grant Prayer: Dearest Jesus, comforter of those who are weak and laden with burdens, it must sadden you to see young, vulnerable children who are weighed down by difficult life situations. We thank you for your compassionate servants who work with Lutheran Counseling and Family Services to assist these young people by listening and talking with them to provide advice, skills and help in working through various circumstances. Please be with the students and professional helpers as they seek to develop these important life skills. In your most holy name, we pray. Amen.

Abiding in Christ's LOVE

"Whoever confesses that Jesus is the Son of God, God abides in him and he is in God. So we have come to know and to believe the love that God has for us. God is love, and whoever abides in love abides in God, and God abides in him." 1 John 4: 15-16 ESV
